Dear Players, We've just released a significant update to BBO, featuring exciting visual updates and important improvements designed to enhance your overall experience. We've also just released an update to GIB which will offer significant improvements when playing with robots. This update is already live on our web platform, with the mobile apps following in just a few days. Be sure to check your app store for the latest version. Here's what's new: Special Events Menu You'll see a new section on the BBO homepage to help you easily find games during special events like the BBOers Festival, NABC Robot Individual, Womens Online Festival etc. You'll also see a schedule of upcoming events so you can plan ahead. No more scrolling to hunt down your favorite games. New Login Page Some players will notice a refreshed look on the BBO login screen. Currently, the new design is available to 50% of players and will roll out to everyone soon. If you see the new look, let us know what you think. The update makes the interface cleaner and easier to use, and will be available for everyone soon. Auto-Play Last Trick The last trick will now play automatically during a hand, making the end of each deal faster and smoother. Updated Sound Service on Mobile Apps We've upgraded the underlying technology used for sound on mobile devices for improved performance. Minor BBO+ Upgrades BBO+ now includes support for translated pages, making it accessible to more players worldwide. Additional small improvements have been made to enhance the overall BBO+ experience. Improved Claim Functionality Claim functionality has been updated to align with the latest GIB upgrade. Other bug fixes and improvements. As always, we've also fixed a few bugs and polished up some details behind the scenes. More improvements will be coming soon to enhance your experience, especially when playing with robots. We hope you enjoy these updates, and we're looking forward to your feedback. Let us know how the new features are working for you, and stay tuned for more exciting changes ahead. Happy bridging! Welcome to Bridge Base Online (BBO), the world's biggest online bridge service! BBO membership is 100% free. Our membership, made up of hundreds of thousands of bridge players from over one hundred countries, range from complete beginners to World Champions. BBO is alive twenty-four hours a day, every day, pulsing with life from the thousands upon thousands of players, tables, hands, bids and plays. We offer various forms of free bridge to our members including all kinds of duplicate or Total Point games, casual or tournaments. We also offer a full suite of bridge education and training tools for free. In addition to the standard free bridge offering, we have optional premium tournaments, like the American Contract Bridge League (ACBL) tournaments that may cost an entry fee but will allow members to win ACBL masterpoints just like in bridge tournaments across North America. Almost all of the world's premier bridge tournaments are broadcast live through our site. We call this facility "Vugraph" and it is extremely popular. Leading experts augment the educational and entertainment value of these broadcasts by providing commentary and analysis. You may have never thought of bridge as a spectator sport, but our live vugraph broadcasts will convince you otherwise! As with most of BBO, access to vugraph is 100% free. If you are a bridge player (or if you are thinking about becoming a bridge player), BBO has a lot to offer you. Please have a look around. Welcome to Bridge Base! We are delighted to welcome you to BBO (our fond name for Bridge Base). Congrats on becoming a BBOer! You'll find the most comprehensive selection of bridge activities in the world here, suitable for all skill levels and ages. Most of these are free, although we do have premium activities for a fee (will be obviously flagged). You will not be accidentally charged for anything, ever, in BBO. Click here for a quick guide highlighting the most useful and interesting functions of the site. For more thorough assistance, click the Help button. You can also email support@bridgebase.com with any questions you may have. We hope you'll stick around, click around, make some friends and enjoy your bridge adventures here. The most fun thing to do? Moan about the ill fortunes visited upon you by the Bridge Dealer to a sympathetic community of fellow card players, in the Newsfeed or in the Bridge Base Forums! Welcome aboard, and Happy Bridging! Welcome to Bridge Base Online, bridge players. Here you can find all things bridge related. You can play according to your level, or play up with higher level partners and opponents. You can fine tune your bidding with your favorite partner by using our "Partnership Bidding" option at any table. You can practice with our bridge-earning GIB robots - a good way to learn a 2/1 system. Pull up a chair in our Main Bridge Club or Relaxed Bridge Club and play with old friends or friends yet to be. Are you interested in ACBL Masterpoints? Join our ACBL sanctioned tournaments - there's a game starting every hour from 8am until the last one at 2am, every day. Like the Robots? Earn masterpoints by playing in our frequent Robot games where you can win BBO and ACBL Masterpoints, or even BB\$. No partner? No problem. All tournaments have a partnership desk open before every game. This international bridge site welcomes players from the four corners of the world. Play in our Sky Club, BBO Land, BBO Turkiye, BBO Poland, BBO Italia and ILACY tournaments and win BBO masterpoints. The number you see on a player's profile corresponds to the numbers on a deck of cards. Watch that number go up as the players win more BBO points. Bridge players are a competitive bunch, so we offer various contests during the year with prizes for the winners. Here on BBO you can find yourself at a table with an absolute beginner all the way up to the highest level of World Class players. These high level players are the ones with a "star" by their name -- many of them are available for private lessons and coaching. The people with the "yellow" names either work here on BBO or are volunteers who are here to help those new to Bridge Base Online. So look around, click the buttons, see what's available, ask questions when you need to, and have fun playing bridge! We're glad you're here. Bridge Base Online (BBO), is the world's largest bridge club. Our community is large and active, with over one million players visiting BBO every month.
